

# CURRICULUM VITAE

THIJME GROL

## PROFILE

Thijme Grol has been obsessed with animation since he was an early teenager. In 2022 he graduated the MA Producing course at the National Film and Television School. His graduation animation film *Spring Roll Dream* was selected for Cannes Film Festival Cinef 2022 and won the Lights on Women award. The film is also shortlisted for the LA student BAFTAs.

He is developing his own long form animated projects as well as working as a freelancer in the UK animation industry. He is an ambitious and reliable person. As a producer he can advise and lead a group, due to his social and proactive attitude. Thijme is ambitious to pursue his career as an animation producer at an international level.
